Who Loves You

The Four Seasons

Who loves you, pretty baby? Who's gonna help you through the night? Who loves you, pretty mama? Who's always there to make it right?

Who loves you, pretty baby? Who's gonna help you through the night? Who loves you, pretty mama? Who's always there to make it right?

Who loves you? Who loves you, pretty baby? Who's gonna love you, mama? Who loves you? Who loves you, pretty baby?

When tears are in your eyes and you can't find the way It's hard to make believe you're happy when you're gray Baby, when you're feelin' like you'll never see the mornin' light Come to me Baby, you'll see

Who loves you, pretty baby? Who's gonna help you through the night? Who loves you, pretty mama? Who's always there to make it?

Who loves you? Who loves you, pretty baby? Who's gonna love you, mama? Who loves you? Who loves you, pretty baby?

And when you think the whole wide world has passed you by You keep on tryin', but you really don't know why Baby, when you need a smile to help the shadows drift away Come to me Baby, you'll see

Who loves you, pretty baby? Who's gonna help you through the night? Who loves you, pretty mama? Who's always there to make it?

Who loves you? Who's gonna love you, love you? Who's gonna love you? Who loves you? Who's gonna love you, love you? Who's gonna love you?

Baby, baby Do-do-do-do Come to me Baby, you'll see

Who loves you, pretty baby?

Who's gonna help you through the night? Who loves you, pretty mama? Who's always there to make it?

Who loves you? Who's gonna love you, love you? Who's gonna love you? Who's gonna love you, love you? Who's gonna love you? Who loves you, pretty baby? Who's gonna love you, love you?
