

Suffer In Silence

The Frames

Asmi **F#mi**
Come back, show your face
E H
Don't you see
Asmi **F#mi**
You're too good for this place
E H
Can we leave
Asmi **F#mi**
It's not your fault, what they say
E H
Don't believe

Asus2
Or would you rather suffer in silence
H
Needlessly

Asus2
Or would you rather suffer in silence
H
And defeat

Ah come on, show the way
I'll believe
Welcome back, you've been away
How's it been

Or would you rather suffer in silence
Needlessly
Or would you rather suffer in silence
And defeat

Asus2 H (střídají se až do konce)

You don't have to suffer in silence
Needlessly
You don't have to suffer in silence
And defeat

Asus2 **H**
Wake up... It's your love calling...
