

## Be Still

The Fray

Be still and know that I'm with you  
Be still and know that I am here  
Be still and know that I'm with you  
Be still, be still, and know

When darkness comes upon you  
And covers you with fear and shame  
Be still and know that I'm with you  
And I will say your name

If terror falls upon your bed  
And sleep no longer comes  
Remember all the words I said  
Be still, be still, and know

And when you go through the valley  
And the shadow comes down from the hill  
If morning never comes to be  
Be still, be still, be still

If you forget the way to go  
And lose where you came from  
If no one is standing beside you  
Be still and know I am

Be still and know that I'm with you  
Be still and know I am
