

# Happiness

The Fray

Happiness was just outside my window  
I thought it'd crash blowing eighty miles an hour  
But happiness is a little more like knocking  
On your door, you just let it in

Happiness feels a lot like sorrow  
Let it be, you can't make it come or go  
But you are gone, not for good but for now  
And gone for now feels a lot like gone for good

Happiness is a firecracker sitting on my headboard  
Happiness was never mine to hold  
Careful child, light the fuse and get away  
'Cause happiness throws a shower of sparks

Happiness damn near destroys you  
Breaks your faith to pieces on the floor  
So you tell yourself, that's enough for now  
But happiness has a violent roar

Happiness, it's like the old man told me  
Look for it and you'll never find it all  
But let it go, live your life and leave it  
Then one day you'll wake up and she'll be home

Home, she'll be, she'll be, she'll be home  
She'll be home, she'll be home, she'll be home  
She will be home, she'll be home, she'll be home  
She'll be home, she'll be
