

Ego's, ego's  
We broke up like The Beatles  
Now a nigga out here on his own, WOO YEAH!  
Grandmama baby gotta turn up  
Granddaddy was a preacher, YEAH!  
What the fuck that got to do with me, though?  
Not a goddamn thing, not a motherfucking thing, NO!  
Big nigga got a dream, motherfucking dream, I turn 'em to reality  
Wake up in the morning by myself  
So I'mma go hard 'til I got nothing left  
'Cause I'mma die by myself, just like you, motherfucker  
'Cause you ain't no better than me, no better than we ('tell 'em)  
Motherfucker  
Everytime I'm in the light, I'm in the dark, Ray Charles (Ray Charlie!)  
Like OOH, OOH YEAH! GOOD LORD! HASHTAG!  
What has changed besides the whole motherfucking world?  
It won't be long before the whole world go into stress

Smoke enough to get fucked up  
(Get high nigga, hold on, we smoking for)  
Til' the day I die nigga, West side nigga, smoking chocolate thai nigga  
Can't hit my mothafuckin' blunt unless yo ass got five nigga  
Bumpin' Luniz, watchin' Goonies get head on my mama's couch, she walked in  
Had to cuss my mama out, she said get a job, get up off yo ass  
(I'm like "Ooh Hashtag"!)

Now just relax my nigga, picture me rollin' down Compton Boulevard  
With a chopper on my lap, now repost that my nigga  
Don't make me DM your BM, she wanna see him cause he win whatever he in  
Park a Bugatti at my mama house  
They ain't even payin' rent, livin' sugar free  
(Nigga why you bullshittin')  
I'm just a hood nigga, all I wanna do is buy swishers  
Take pictures while I'm fucking on these bitches  
Hittin' switches while I'm dippin'  
Red Cup full of betchu can't kill it  
Three wheelin' and I bet I won't spill it  
Not one drip  
Been driving through Compton all day ain't got sweated by one Crip  
It's my lucky day, and even if it wasn't, a nigga still wouldn't give a fuck  
today  
Don't pull it if you ain't gonna blast  
My nigga you can be a hashtag! (Yeah!)

Everytime I'm in the light (I'm in the light)  
I'm in the dark (In the dark)  
Ray Charles (Ray Charles)  
Like ooh, yeah, get lost  
Hashtag!  
What has changed besides the whole motherfucking world?  
It won't be long before the whole world go into stress  
I swear  
Goddamn  
Believe that  
No brakes
