Throw your motherfucking Cincinnati hats in the sky Nigga don't ask why Red laces in and out of them Air Max '95's I, walk on the moon, flow hotter than June Any nigga want drama I kick up a sand dune Peace to my man 'Tune for giving his man room Now we hittin' switches to the Spring Break, Cancun Get it, nah forget it, SuWoo I live it Made the letter B more famous than a Red Sox fitted But that was suicide, I don't live in Judah's eyes Half of these rappers weren't trappin' when I was choppin' the do or die Suge had me in, I went Puffy like Zab Judah eye Dre called, told my baby momma "won't you decide" She chose Doc, first day I pulled dude aside like its Aftermath for life And all I do is ride Before I turn on 'em I kill Satan and stick my red flag in the ground It's Red Nation!!!

Now Blood the fuck up
Everyday's a gamble motherfucker, tough luck
And we gonna fuck the World til that bitch bust nuts
I can't tell ya whats good, but I can tell ya whats, what
And that's, B's up, hoes down
Lookin' in the mirror, I'm no where to be found
Blood, I'm a dog, call me a blood hound
Throwin' blood in the air, leave blood on the ground

Niggas'll trade their soul to be Drake or J. Cole Live and die for this shit, word to Tupac Shakur's halo One blood, plural, nigga I'm spendin' Euro's Ferrari got an ice cream paint job, Dorrough I'm up out the hood, where they pull guns on you like Come up out ya hood, it ain't never all good We roll up in backwoods, nigga get to actin' stupid Get thrown in the back woods Los Angeles, home of the scandalous Pimp, hoes and gamblers 98 degrees on Christmas Nigga we rollin' cannabis Swisha sweet ain't it, I told her I'm Charles Louboutin The bitch fainted, pulled her panties down, stain it That's my Chi-lingo, yeah I'm bi-lingual Ball by myself, nigga Ochocinco Dancing with the stars, bullets and fast cars And everybody bleed out here, word to God

Now Blood the fuck up
Everyday's a gamble motherfucker, tough luck
And we gonna fuck the World til the bitch bust nuts
I can't tell ya whats good, but I can tell ya whats, what
And that's, B's up, hoes down
Lookin' in the mirror, I know where to be found
Blood, I'm a dog, call me a blood hound
Throwin' blood in the air, leave blood on the ground

Russia got a Red Flag US got Red Stripes Last train to Paris, round the World in these red Nikes
Che Guevara of the New Era, test me
Louieville slugger, you'll get buried in my new era
Got that natty on, tighter than a magnum
Walk in the club saggin' with a .38 magnum
Red Ralph Laurens, the double R sittin' on a hill like Lauren
Her and the car foreign
Got my red Dre Beats on, tryna put my peeps on
And I keep it hood like this Phantom is a Nissan
Where my nigga Jim Jones at?
Roll up the weed son, so many bloods in Compton had to get a NYC song
And while I'm out here, I might as well go shopping
And put this new bad bitch I got her some red bottoms
And all these hatin' ass niggas want me dead
Cause I'm Malcolm X before he turned Muslim, RED

Now Blood the fuck up

Everyday's a gamble motherfucker, tough luck

And we gonna fuck the World til the bitch bust nuts

I can't tell ya whats good, but I can tell ya whats, what

And that's, B's up, hoes down

Lookin' in the mirror, I know where to be found

Blood, I'm a dog, call me a blood hound

Throwin' blood in the air, leave blood on the ground
