My Fault

The Georgia Satellites

Take me like you find me don't try to change me
You know better than that
Take me like you see don't try to change me
I ain't used to that
Turn it up loud I'm a bum in the crowd
If I've got something to say
ain't nothing that can stop me
I can't let it

Say I'm just a fool, well that's alright
I don't wanna change nobody
Say I'm just a fool, yeah that's alright
I don't wanna change noone.

If I have to crawl down on my hands every night of the week
It's gonna be my fault and noone else
