

Sick in Her Skin

The Get Up Kids

Baby Deleilah
Sick in her skin
Out on the highway livin for nothing
It's the same old song again
And since she defends
On the moon and on forever she said
You should still be here

Hooks in her toungue
Escape if you can
Clear out the room
I'll open the window
I'll fly in
Blood on the table
She made up her mind
All of the talks we had were for nothing
But I'd shine

It's overwhelming
And since she defends
On and on forever she says
It's all over now
It's all over now
It's all over now
It's all over now.

On and on and on forever, she says.
