The Glitch Mob

We see without eyes

[Chorus]

Tell me how you feel like
Tell me how you feel like
Tell me how you feel like
Yeah, yeah, yeah
Tell me how you feel like
I need you to go, feel like

[Bridge]

Feel, feel, feel, feel

I need you to go
Feel, feel, feel, feel
Yeah, yeah, yeah

[Chorus]

Tell me how you feel like
Yeah, yeah, yeah
Tell me how you feel like
I need you to go, go, feel like, feel like
Tell me how you feel like, feel like
Feel, feel, feel, feel
