```
Let's get together again
all you need is here to stay
Let's get together again
forget about your yesterdays.
Let's get together again
all you need is here to stay
Let's get together again
forget about your yesterdays.
It's been a very long long time since I last remember seeing yo
I hope you'll write and say you're fine; did you ever sit and d
of a time when we could meet again it's very hard now you're no
mine:
The 'phones right 'next to you and you know just what to do
Just pick it up and call my name:
Let's get together again
all you need is here to stay
Tomorrow's just a step away till I come running back to you.
I hope you'll stay here by my side; I thought I'd never see
My angel back here next to me. Promise me that you won't hide:
The 'phones right next to you and you know just what to do
Let's get together again
all you need is here to stay
And you know there ain't much time I'm so alone please come hom
I'm on my own let's get together again
AII you need is here to stay
. . .
```
