

Dance Around the Fire

The Golden Filter

Formed a band after these golden skies
Gather around the fire
Look beyond what you see
Dance around the fire

The heat inside is not released
Dance around the fire
Would you __ fastly with me
Dance around the fire

Unfold the mystery
Dance around the fire

Awaited discovery
Dance around the fire
Unfold the mystery
Dance around the fire

Dance around the fire
Dance around the fire
Dance around the fire
