

## New Dues

## The Gourds

Still in line  
Spoon in my hand  
And the mouth that roared  
Didn't get fed  
And the squeaky wheel  
Blown out and rusted  
A fellah yelled, candy  
But we all stood still  
No I didn't panic  
But I had a chill  
Yes, I had a chill

Just got my new dues  
Just got my new dues  
Just got my new dues today  
Who's buyin'?  
So I hit the bricks  
But my place was saved  
now look at my cheek  
found out the road was paved  
spilling the rich krovvy  
catch it in my pan  
try to feed the flunky  
watch the fallen stand  
Just call my number  
Hand me down my rag  
Hand me down my rag  
Hand me down my rag
