## The Grass Roots

When I think of all the worries People seem to find And how they're in a hurry To complicate their minds By chasing after money And dreams that can't come true I'm glad that we are different We've better things to do May others plan their future I'm busy loving you (One, two, three, four!) Sha la la la la live for today Sha la la la la live for today And don't worry 'bout tomorrow, hey Sha la la la la live for today (live for today) We were never meant to worry The way that people do And I don't mean to hurry As long as I'm with you We'll take it nice and easy And use my simple plan You'll be my lovin' woman I'll be your lovin' man We'll take the most from living Have pleasure while we can (Two, three, four!) Sha la la la la live for today Sha la la la la live for today And don't worry 'bout tomorrow, hey Sha la la la la live for today (live for today) Baby, I need to feel you inside of me I got to feel you deep inside of me Baby, please come close to me I got to have you now, please, please Please, please gimme some a-lovin' To gimme some a-lovin' To gimme some a-lovin' To gimme some a-lovin' Baby, gimme some a-lovin' Gimme some a-lovin' Got to have all your lovin' Gimme some a-lovin'
