Shot of rhythm n' blues

The Guess Who

A-when your hands start a-clappin' And your fingers start a-poppin' When your feet wanna move around

And ya start to swing and sway And the band begins to play With a real cool way out sound

Then ya get the "can't help-it's" And ya can't sit down Feel like ya wanna move 'round an 'round

Need a shot of rhythm and blues With just a little rock n' roll on the side Just for good measure

Need a pair of dancin' shoes With your lover by your side Don't you know you're gonna have a lot of pleasure

Don't you worry about a thing You start to dance and sing And the chill bumps come up on you

Well, the beat'll finally get you When the beat gets you, too and Here's the thing for you to do
