My Cousin Kim

The Gun Club

Kim was in the air force he dropped fire from the air,

He grabbed that heater that was sitting in his hand he gave it to them and put 'em in the foreign sand

he was one hell of a man

Kim dropped fire on the people fire on their face and hands.

He had their families their mothers and their kids he said he'd "Head 'em!" and that's just what he did,

Everybody loved My Cousin Kim Everybody loved My Cousin Kim Everybody loved My Cousin Kim they say

Kim was in St. Louis at Missouri Inn Hotel

He gave it to them with that heater in his hand he put it to them in the Texas sand,

he was one hell of a man,

Everybody loved My Cousin Kim Everybody loved My Cousin Kim Everybody loved My Cousin Kim they say

Kim was at the airport and the faces stared at him. He grabbed that heater which was burning in his hand he gave it to them buried in concrete!
