

Mad Man

The Hives

Mad man he operated, he opened up went in and seperated.
he mad a mess - tried to restore but it was all in vain.
That's what I get when the holding th knife answers to the name
.
Mad mad mad.
Mad man he operated, and what I before used to have in mind has
now evaporated.
Mad man woke me up and said he'd fixed the leak
but now I can't walk and I believe I stu..stu..stutter when I s
peak.
Mad mad mad.
I get the feeling that I've been cutdown - cutdown.
Yeah I get the feeling that I've been cutdown - cutdown.
In a sort of scientific way.
Mad man he operatedf, he opened up went in and seperated.
He made a mess - tried to restore but it was all in vain.
That's what I get when the one holding the knife answers to the
name.....
