

# The Subway Song

## The Icarus Account

On the train, on my way to the city  
you sit bored  
I'm amazed, I have never seen such beauty  
You don't hear, you don't care  
Or maybe you're just too busy  
who's to say  
i go unnoticed by you every day

I take my time, making eyes,  
even planing out the line  
singing through  
cause All it's on my mind today is you

But the stop is too soon  
And I'm too shy to make a move  
today it wasn't made for me and you

Why is my heart breaking and breaking?  
When it was never yours for the taking  
And why is my head spinnin' and spinnin'?  
When you don't even know I'm existant

Another day, another chance, another opportunity  
Should I sing, should I dance  
Will you ever notice me  
I lean in for a kiss  
Then I wake up to a pinch  
Today it wasn't made for me and you

Why is my heart breaking and breaking?  
When it was never yours for the taking  
And why is my head spinnin' and spinnin'?  
When you don't even know I'm existant  
(2x)

And I don't even know your name  
But I'm hoping until now you feel the same  
'Cause I'm going so insane  
Wondering, always wondering  
If today will be our day  
And I don't even know your name  
But I'm hoping that you feel the same  
And I don't even know your name  
Wondering, always wondering  
If today will be our day

Why is my heart breaking and breaking?  
And why is my head spinnin' and spinnin'?

Why is my heart breaking and breaking?  
When it was never yours for the taking  
And why is my head spinnin' and spinnin'?  
When you don't even know I'm existant  
(2x)

And on the train, on my way to the city  
When I hear someone speak

I feel my heart pumping every beat  
I look up to your face  
And I ask you for your name  
Today was surely made for you and me
