

## Spring

### The Innocence Mission

Look out for spring  
The life underground  
The life underground

The thawing and the overflow  
Oh early, early in the morning we'll go

Seven shades of green  
Are painted on your door  
Painted on your door

The field alive under the snow  
Oh early, early in the morning we'll go

Oh world of rooftops, hearing one field song  
The walk in raincoats, the wait for Easter, Tom  
We are awake or waking, awake or waking from  
Here that day comes

Look out for spring  
The life underground  
The life underground

The thawing and the overflow  
Oh early, early in the morning we'll go

Oh world of rooftops, hearing one field song  
The walk in raincoats, the wait for Easter, Tom  
We are awake or waking, awake or waking from
