

# I Can Only Give You Love

The Jackson 5

If you want it, you got it  
I can only give you love  
I can only give you love  
Oh Jimmy had a knack for talent  
From being a baseball star  
It makes you proud to work past it  
Cause it breaks all the other girls heart  
Well Billy had long black curly hair  
And captain of the football team  
While guys like me stood on the side  
And watched the young girls scream  
Oh girl, I can only give you love  
I've made no claim to fame, you won't know my name  
Oh baby, I can only give you love  
Girl if it's love that you need  
Come on and get with me  
If you want it, you got it  
I can only give you love  
I can only give you love  
If it's love that you need  
I got what you need  
Come and get it  
Come and get it  
Come and get it  
Come and get it  
Come and get it  
Wooo!  
Now Bobby was a little rich kid  
Who lived at the foot of the hill  
The first kid in the neighborhood  
To have an automobile  
Well If I took you to the movies  
We'd have to walk the block to the bus  
We'll if you went with him  
You could already be there  
Eating popcorn and stuff  
Oh girl, I can only give you love  
I've made no claim to fame, you won't know my name  
Oh baby, I can only give you love  
Girl if it's love that you need  
Come on and get with me  
If you want love girl  
I got all the love you need  
I got what you need  
I can only give you love  
I can only give you love  
If you want love girl  
I got all the love you need  
I got what you need  
The love that you need  
Come on and get with me  
Oh girl, I can only give you love  
I've made no claim to fame, you won't know my name  
Oh baby, I can only give you love  
Girl if it's love that you need  
Come on and get with me
