

# Beat Surrender

The Jam

Come on boy, come on girl  
Succumb to the beat surrender  
Come on boy, come on girl  
Succumb to the beat surrender

All the things that I care about  
Are packed into one punch  
All the things that I'm not sure about  
Are sorted out at once

And as it was in the beginning  
So shall it be in the end  
That bullshit is bullshit  
It just goes by different names

Come on boy, come on girl  
Succumb to the beat surrender  
Come on boy, come on girl  
Succumb to the beat surrender

All the things that I shout about  
But never act upon  
All the courage and the dreams that I have  
But seem to wait so long

My doubt is cast aside  
Watch phonies run to hide  
The dignified don't even enter in the game

Come on boy, come on girl  
Succumb to the beat surrender  
Come on boy, come on girl  
Succumb to the beat surrender

If you feel there's no passion  
No quality sensation  
Seize the young determination  
Show the fakers you ain't foolin'

You'll see me come runnin'  
To the sound of your strummin'  
Fill my heart with joy and gladness  
I've lived too long in the shadows of sadness

My doubt is cast aside  
Watch phonies run to hide  
The dignified don't even enter in the game

Come on boy, come on girl  
Succumb to the beat surrender  
Come on boy, come on girl  
Succumb to the beat surrender
