

Black and Blues

The Jesus and Mary Chain

I don't have nothing to give
But if I could I'd give my heart's beat
But my mind and heart breaks

Yeah, it's just a bitch
Yeah, it's just a bitch
Yeah, it's just a bitch

You know we're living in shit
Guess the love is where you found it
But my mind and heart breaks

Yeah, it's just a bitch
Yeah, it's just a bitch
Yeah, it's just a bitch

We could leave this world behind
And die, and die in the morning
We could leave this world behind
This world behind

We could leave this world forever
We could leave this world behind
Still my mind and heart breaks

(Ba, ba, ba) Yeah, it's just a bitch
(Ba, ba, ba) Yeah, it's just a bitch
(Ba, ba, ba) Yeah, it's just a bitch
(Ba, ba, ba) Yeah, it's just a bitch
