Black and Blues

The Jesus and Mary Chain

```
I don't have nothing to give
But if I could I'd give my heart's beat
But my mind and heart breaks
```

```
Yeah, it's just a bitch
Yeah, it's just a bitch
Yeah, it's just a bitch
```

You know we're living in shit Guess the love is where you found it But my mind and heart breaks

```
Yeah, it's just a bitch
Yeah, it's just a bitch
Yeah, it's just a bitch
```

We could leave this world behind And die, and die in the morning We could leave this world behind This world behind

We could leave this world forever We could leave this world behind Still my mind and heart breaks

```
(Ba, ba, ba) Yeah, it's just a bitch (Ba, ba, ba) Yeah, it's just a bitch (Ba, ba, ba) Yeah, it's just a bitch (Ba, ba, ba) Yeah, it's just a bitch
```
