

Bye Bye Baby Blues

The Judds

[Chorus]

Oooh - I'm missin' you
I've got those bye-bye, bye-bye baby blues
Oooh- Ain't much to do
Just sing those bye-bye, bye-bye baby blues

Havin' the blues, hatin' to loose
Guess I got a lot to learn
All of my friends have lost now and then
I guess it's just my turn

[Repeat Chorus]

Tell me the first, hurt you the worst
And time is your best friend
But when you're this sad and hurtin' this bad
How do you love again?

[Repeat Chorus]

Bye-bye, bye-bye baby blues
