

Do I Dare

The Judds

Do I dare show him lovin'?
Do I go for double or nothin'?
Do I act like I don't care?
Or, do I dare?

Do I do what my heart's sayin'?
Do I hide my love awaitin'?
Make believe that he's not there?
Or, do I dare?

This girl's got a problem
She don't know what to do
If there's some way of tellin'
When a man is true

Will he love me faithfully?
Will he leave me blue?
Should I run?
Or, could this be the one?

Do I dare jump in the middle?
Sure, I care more than a little
If he don't fall, I'll loose it all
Tell me, do I dare?

Do I dare?
Do I dare?

Do I tell him that I've held him
In my dreams so tight?
Well, could I risk one little kiss?
Or, should I take a chance tonight?

Do I do what my heart's sayin'?
Do I hide my love awaitin'?
Make believe that he's not there?
Or, do I dare?

Lord, do I dare?
Lord, do I dare?
