

Tuff Enuff

The Judds

I would walk ten miles on my hands and knees
Ain't no doubt about it, baby: it's you I aim to please
I'd wrestle with a lion and a grizzly bear
It's my life, baby, but I don't care

Ain't that tough enough?
Ain't that tough enough?
Ain't that tough enough?
Ain't that tough enough?

For you, baby, I would swim the sea
Nothin' I'd do for you that's too tough for me
I'd put out a burning building with a shovel and dirt
And not even worry about getting hurt

Ain't that tough enough?
Ain't that tough enough?
Ain't that tough enough?
Ain't that tough enough?

I'd work twenty-four hours, seven days a week
Just so I could come home and kiss your cheek
I love you in the morning, and I love you at noon
I love you in the night and take you to the moon

Ain't that tough enough?
Ain't that tough enough?
Ain't that tough enough?
Ain't that tough enough?

Lay in a pile of burning money that I've earned
And not even worry about getting burned
I'd climb the Empire State, and fight Muhammad Ali
Just to have you, baby, close to me

Ain't that tough enough?
Ain't that tough enough?
Ain't that tough enough?
Ain't that tough enough?

I would walk ten miles on my hands and knees
Ain't no doubt about it, baby: it's you I aim to please
I'd wrestle with a lion and a grizzly bear
It's my life, baby, but I don't care

Ain't that tough enough?
Ain't that tough enough?
Ain't that tough enough?
Ain't that tough enough?
