

P.S. We'll Call You When We Get There

The Juliana Theory

looking back alot has changed we never thought there'd come a d
ay when everything we used to live for everything we did
and everything we say could fade away now we're left holding on
to dreams small town kids we're gonna get there now it's
time i see those city lights i think it's tim to go and we'll c
ome back home when we hit the big time and we'll come back
someday.
