

# Spaceman

The Killers

It started with a low light,  
Next thing I knew they ripped me from my bed  
And then they took my blood type  
It left a strange impression in my head.  
You know that I was hoping,  
That I could leave this star-crossed world behind  
But when they cut me open,  
I guess I changed my mind.

And you know I might  
Have just flown too far from the floor this time  
Cause they're calling me by my name  
And the zipping white light beams  
Disregards the bombs and satellites

That was the turning point  
That was one lonely night

The star maker says, "It ain't so bad"  
The dream maker's gonna make you mad  
The spaceman says, "Everybody look down  
It's all in your mind"

Well now I'm back at home, and  
I'm looking forward to this life I live  
You know its gonna haunt me  
So hesitation to this life I give.  
You think you might cross over,  
You're caught between the devil and the deep blue sea  
You better look it over,  
Before you make that leap

And you know I'm fine,  
But I hear those voices at night sometimes-  
They justify my claim,  
And the public don't dwell my transmission  
Cause it wasn't televised

But, it was the turning point,  
Oh what a lonely night

The star maker says, "It ain't so bad"  
The dream maker's gonna make you mad  
The spaceman says, "Everybody look down  
It's all in your mind"

The star maker says, "It ain't so bad"  
The dream maker's gonna make you mad;  
The spaceman says, "Everybody look down  
It's all in your mind"

My global position systems are vocally addressed  
They say the Nile used to run from East to West,  
They say the Nile used to run...  
From East to West.

And you know I'm fine

But I hear those voices at night  
Sometimes...

The star maker says, "It ain't so bad"  
The dream maker's gonna make you mad  
The spaceman says, "Everybody look down  
It's all in your mind"

The star maker says, "It ain't so bad"  
The dream maker's gonna make you mad;  
The spaceman says, "Everybody look down  
It's all in your mind"

It's all in my mind  
It's all in my mind  
It's all in my mind  
It's all in my mind  
It's all in my mind
