

# Why Do I Keep Counting?

The Killers

There's a plane and I am flying  
There's a mountain waiting for me  
Oh these years have been so trying

I don't know if I can use them  
Am I strong enough  
To be the one?  
Will I live to have some children?

Help me get down,  
I can make it,  
Help me get down

Help me get down,  
I can make it,  
Help me get down

If I only knew the answer  
I wouldn't be bothering you, father

Help me get down  
I can make it  
Help me get down

Help me get down,  
I can make it,  
Help me get down

If I only knew the answer  
And If all our days are numbered  
Then why do I keep counting

My sugar sweet is so attainable  
This behaviour so unexplainable  
The days just slip and slide  
Like they always did  
The trouble is my head  
Won't let me forget

I took one last good look around  
So many unusual sounds  
I gotta get my feet on the ground

Help me get down,  
I can make it (ohhhhh...)  
Help me get down,  
I can make it, help me get down  
Help me get down  
I can make it, help me get down  
If I only knew the answer...  
I wouldn't be bothering you, father,  
Help me get down  
I can make it, help me get down  
Help me get down  
I can make it, help me get down  
If I only knew the answer...  
And if all our days are numbered,

Would you help me get down? (I can make it, help me get down)  
(Help me get down)  
(I can make it, help me get down)  
If I only knew the answer...

If I change my way of living  
And If I pave my streets with good times  
Will the mountain keep on giving

And if all of our days are numbered  
Then why do I keep counting
