

(I'll Be) Your Mau Mau

The Knack

Baby baby come an' sit down on my bed
You and me are gonna get down raise the dead
Screaming like I got a hellhound on my trail
See me headed for a meltdown, hear me wail
Gimme your love, gimme your love, gimme a bite
Gimme your love, gimme your love, gimme tonight

I'll be your mau mau oh oh yeah
Your spunky mau mau now now yeah
Nobody can ooh, wow like I can
I'll be your mau mau -- mau mau man

Shakin' it up, shakin' it up, shake it on down
Rippin' it up, rippin' it up, whip it around

I'll be your mau mau oh oh yeah
Your spunky mau mau now now yeah
Nobody can ooh, wow like I can
I'll be your mau mau -- mau mau man
Mau mau man
Mau mau man

Shakin' it up, shakin' it up, shake it on down
Rippin' it up, rippin' it up, whip it around

I'll be your mau mau oh oh yeah
Your spunky mau mau now now yeah
Nobody can ooh, wow like I can
I'll be your mau mau -- mau mau man
Mau mau man
Mau mau man
