

## Hangin' Out

### The Knife

I keep my dick hangin' out of my pants  
so I can point out what I want.  
I was chosen by standard procedures  
and I'll assure you I don't mind.

I'm the head over small business  
employing old male friends of my kind.  
They keep their dick hangin' out of their pants  
so they can point out what they want.

I keep my dick hangin' out of my,  
näe, vi stoppar där.
