

Rockin Stroll

The Lemonheads

She takes me on a rockin stroll
If you won't wave guess I won't know
as I by I roll I hope you'll throw a smile at me
this here pram is all I've known
I won't be walking till I've grown
All I've been shown is everything I want to see
Peoples knees, and trunks of trees
Smile at me
looking upwards to the sky
moving forward all the time
the sidewalk lines gdunk gdunk gdunk gdai
if it's warm in here is it cold down there,
around out where I can only stare
I'm still aware a little but I'm gonna try
I'm gonna try
I'm gonna try
I'm gonna try
I'm gonna try Ooooooooo
She takes me on a rockin stroll
If you won't wave guess I won't know
as I by I roll I hope you'll throw a smile at me
this here pram is all I've known
I won't be walking till I've grown
All I've been shown is everything I want to see
Peoples knees,
Trunks of trees,
Smile at me
