

Second Solution

The Living End

Standin' on a streetlight
Tryin' to get away
Guilty Guilty
I hear what ya say
Countin' down the hours,
But I haven't got the time
23rd precinct jumping on the line
On the line

And what I wanna know
Is will I get Death Row?
Or is there a second solution?
What I wanna say
Is will I die today?
Or will I get second solution?

It was never meant to end this way
One shot violence
I hear what ya say
Standin' on a streetlight
Tryin' to get away
Guilty Guilty
I hear what I say
What I say

And what I wanna know
Is will I get Death Row?
Or is there a second solution?
What I wanna say
Is will I die today?
Or will I get second solution?

Standin' on a streetlight
Tryin' to get away
Guilty Guilty
I hear what ya say
Countin' down the hours,
But I haven't got the time
23rd precinct jumping on the line
On the line

And what I wanna know
Is will I get Death Row?
Or is there a second solution?
What I wanna say
Is will I die today?
Or will I get second solution?
