

# Wet Dream War Machine

The Locust

Stop talking politics  
Rephrase, Rephrase  
Hibernating phantom friend  
Witness, Witness

There's a hotbed of isms around here

All hail the chopper,  
the blitzkrieg,  
the tank,  
Never mind the ethics involved

Stop talking politics  
Calculate, Eliminate  
Witness, This mess

Who's got their nightmare glasses?  
It's time to go diving  
Prime time is  
crime time is  
nuclear might

All hail the chopper  
the blitzkrieg  
the tank  
Never mind the ethics involved
