

I'm on a Boat

The Lonely Island

Oh shit, get your towels ready
It's about to go down
Everybody in the place hit the fucking deck
But stay on your motherfucking toes
We running this, let's go

I'm on a boat, I'm on a boat
Everybody look at me
'Cause I'm sailing on a boat
I'm on a boat, I'm on a boat
Take a good hard look
At the motherfucking boat

I'm on a boat motherfucker, take a look at me
Straight flowing on a boat on the deep blue sea
Busting five knots, wind whipping out my coat
You can't stop me motherfucker, 'cause I'm on a boat

Take a picture, trick, I'm on a boat, bitch
We drinking Santana champ 'cause it's so crisp
I got my swim trunks and my flippie-floppies
I'm flipping burgers, you at Kinko's
Straight flipping copies

I'm riding on a dolphin, doing flips and shit
This dolphin's splashing, getting everybody all wet
But this ain't Seaworld, this is real as it gets
I'm on a boat, motherfucker, don't you ever forget

I'm on a boat and it's going fast and
I got a nautical themed, Pashmina Afghan
I'm the king of the world, on a boat like Leo
If you're on the shore, then you're sure not me, oh
Get the fuck up, this boat is real

Fuck land, I'm on a boat, motherfucker
Fuck trees, I climb buoys, motherfucker
I'm on the deck with my boys, motherfucker
This boat engine make noise, motherfucker

Hey ma, if you could see me now
Arms spread wide on the starboard bow
Gonna fly this boat to the moon somehow
Like Kevin Garnett, anything is possible

Yeah, never thought I'd be on a boat
It's a big blue watery road
Poseidon, look at me, oh, all hands on deck
Never thought I'd see the day
When a big boat coming my way
Believe me when I say I fucked a mermaid

I'm on a boat, I'm on a boat
Everybody look at me
'Cause I'm sailing on a boat
I'm on a boat, I'm on a boat
Take a good hard look

At the motherfucking boat
