

BIRTHDAY

The Lumineers

I didn't know I was the only thing you saw
Your eyes were blue
I don't know why I couldn't love myself
But you needed proof

You and me will always be the ones to hang around
I can see the loneliness you keep out of sight

It's alright, it's alright, it's alright, it's your birthday, d
ear
It's alright, it's alright, and we're carryin' on
And you know, and you know, and you know it's your birthday
Every word, every word and we're singin' along

Over and over, I can only scream so loud
But you ignore me
You picked it up, you picked it all apart and now
There's nothing for me

We gathered 'round, your house burned down as you held a garden
hose
You and me will always be the ones to hang around

It's alright, it's alright, it's alright, it's your birthday, d
ear
It's alright, it's okay, and we're carryin' on
And you know, and you know, and you know it's your birthday
Every word, every word and we're singin' along

It's alright, it's alright, it's alright it's your birthday, de
ar
It's alright, it's okay, and we're singin' along

It's alright, it's alright, it's alright, it's your birthday, d
ear
It's alright, it's okay, and we're carryin' on
And you know, and you know, and you know it's your birthday
Every word, every word and we're singin' along

It's alright, it's alright, it's alright, it's your birthday, d
ear
It's alright, it's okay, and we're carryin' on
And you know, and you know, and you know it's your birthday
Every word, every word and we're singin' along

It's alright, it's alright, it's alright it's your birthday, de
ar
It's alright, it's okay, and we're carryin' on

And you know, and you know, and you know it's your birthday
