

# Flapper Girl

The Lumineers

- C            G            C  
1. Cut off all of your hair  
F            C            G  
Did you flinch, did you care  
C            G            Am    F    C  
Did he look, did he stop and stare  
             G            C  
At your brand new hair
2. Local boy, local news  
Power lines hanging boots  
Firemen in their trucks cut loose  
A local boy's shoes
3. Cadillac, cadillac  
Businessmen dressed in slacks  
Imma buy one for us when I get back  
A big cadillac
- F            C            G  
R: And you can wave to all of your friends  
             F            C            G  
And I'll never leave you again
- C            G            Am            F    C  
Would you write, would you call back baby if  
             G            C  
I wrote you a song  
C            G            Am            F    C  
I've been gone, but you're still my lady and  
             G            C  
I need you at home
4. Romeo, Juliet  
Balcony in silhouette  
Making O's with her ci-ga-rette  
Is Juliet
5. Flapper girl, flapper girl  
Prohibition in curls  
Hair of gold and a neck of pearls  
Is flapper girl

R:

             F            C            G  
Cause if you ain't behind my door  
             F            C            G  
Then I ain't got a home anymore

C            G            Am            F    C  
Would you write, would you call back baby if  
             G            C  
I wrote you a song  
C            G            Am            F    C  
I've been gone, but you're still my lady and  
             G            C

I need you at home

C            G            Am            F            C  
Lovers come, lovers go, lovers leave me alone  
                 G            C  
She'll come back to me
