

# Flowers In Your Hair

The Lumineers

When we were younger we thought  
everyone was on our side  
& then we grew a little, and romanticized  
a time I saw, flowers in your hair

See it takes a boy to live  
takes a man to pretend he's there

So then we grew a little  
& new a lot  
& now we demonstrated it to the cops  
& all the things we said, we were self assured

Cause it's a long road to wisdom  
But it's a short wind to being ignored

Me & my eyes  
Me & my heart  
Me & my eyes, ay ay ay  
Me & my heart

So now I think that I could, love you back  
& I hope it's not too late  
cause you so attractive  
& the way you move  
I won't close my eyes

Cause it takes a man to live  
But it takes a woman to make him compromise

So me & my eyes  
Me & my heart  
Me & my eyes, ay ay ay  
Me & my heart
