

# Growing Up

The Maine

Photograph, remembering the summer  
it takes me back,  
to Southern California.

where the girls would all pass  
on the boardwalk and laugh  
at our desperate attempts and our sunburned backs  
we never had a chance, i remember that  
and no matter what we do,  
we'll never lose what we had growing up.

Won't bring us down.  
Yeah, growing up,  
it won't bring us down,  
growing up won't bring us down  
growing up won't bring us down

graduate, what's a kid to do now?  
Get away, yeah-ah.  
We've got so much to prove.  
Cause it's time to move on  
and i'm stuck to let go,  
but then Wonderwall comes on the radio,  
i flashback to the night in your parent's yard,  
when we drank too much and we talked about god...

Growing up, won't bring us down.  
Growing up, it won't bring us down.  
We're in this together,  
Yeah, we'll make it somehow,  
nothing's gonna stop us now...  
growing up won't bring us down  
growing up won't bring us down  
growing up won't bring us down  
oh-oh-oh

photograph, oh give me something to remember

Growing up, won't bring us down.  
Growing up, it won't bring us down.  
We're in this together,  
Yeah, we'll make it somehow,  
nothing's gonna stop us now...  
growing up won't bring us down  
growing up won't bring us down (won't bring us down)  
growing up won't bring us down (won't bring us down)  
growing up won't bring us..... down.
