

## Reasons

### The Manhattans

Now, I'm craving your body,  
Is this real  
Temperatures rising, I don't want to feel  
I'm in the wrong place to be real  
Woahh and I'm; longing to love you  
Just for a night,  
Kissing and hugging and holding you tight  
Please let me love you  
With all my might  
Reasons, the reasons that we hear,  
The reasons that we fear  
Our feelings a-won't disappear  
Oooh! And- after the love game has been played  
All our illusions were just a parade  
And all the reasons start to fade

LA-LA-LA  
After all our reasons why  
All the reasons were a why  
After all the reasons lo-ove was left aside  
And, longing to love you for one night  
Please let me love you with all of my might, baaaaby  
Oooohhh, baby!  
Reasons, the reasons that we hear,  
The reasons that we fear  
Our feelings a-won't disappear  
Oooh! And after the love games have been played  
All our illusions were just a parade  
And all the reasons start to fade  
And, in the morning when I rise,  
No longer feeling hynotized  
For no reasons, our reasons, our reasons  
Have no pri-ii-de

LA-LA-LA  
After all the reasons why  
All of the reasons were a lie  
After all the reasons why lo-ove was left aside  
Heeehhhhh, oooh, yeaahhh, oohhh Baby,  
I can't find the reasons  
That my love won't disappear  
Can't find the reasons  
Why I love you, my baby, my dear  
Can't find the reasons  
Wanna love you all night  
Can't find the reasons  
Gotta squeeze ya, real tight  
Can't find the reasons  
Baby- yeah,  
For my tears  
Can't find the reasons  
Why I love ya
