

Another Cruel Love

The Marshall Tucker Band

Lord, a dime
That's what you were to me
Lord, I answered, oh baby
To all your lovin' pleads

It's just another cruel love passin' me by
Just another cruel love passin' me by

I never thought you could be
So dog gon' fine
You treat me like a fool, baby
Not even tryin'

It's just another cruel love passin' me by
Just another cruel love passin' me by

Heart ache and the blues, that's what I got
Only the fool, love's fool in me, is what you got

Believe in me, all hope's gone
Cuz that's what you told
Sane is not true love baby
Until I've is born

Just another cruel love passin' me by
Just another cruel love passin' me by

Just another cruel love passin' me by
Just another cruel love passin' me by

Just another cruel love passin' me by
