

Anyway the Wind Blows Rider

The Marshall Tucker Band

I got some money in my pocket
I got some time to kill
I got some sunshine in a blue on blue sky

I got some bad news on my radio
I gotta jam in the south town
We go pick up an old girlfriend
And see can we leave all this behind

'Cos I'm an anyway the wind blows rider
With a dream like the river getting wider
Yes, I'm love lost
And I'm good times and bad gone by

I think I'll go down by the river
It never fails to deliver
That feeling of peace
I can't seem to find in the city

'Cos I'm an anyway the wind blows rider
With a dream like the river getting wider
Oh, I'm sunshine and I'm a blue on blue sky

I'm a line from a low zone
I'm a scene from a faded dream

'Cos I'm an anyway the wind blows rider
With a dream like the river getting wider
Yeah, I'm sunshine and I'm blue on blue sky

'Cos I'm an anyway the wind blows rider
With a dream like the river getting wider
Yeah, I'm love lost
And I'm good times and bad gone by

'Cos I'm an anyway the wind blows rider
With a dream like the river getting wider
