

# Fly Like An Eagle

The Marshall Tucker Band

I'm gonna take me a ride on a riverboat  
Down to New Orleans  
Gotta pocket full o'money and a liquor bottle  
Gonna drink away my dreams

Don't really wanna leave  
Sure I can't stay  
I'm gonna get on that riverboat  
And gamble my life away

Makes me fly like an eagle  
Higher and higher every day  
Cause in my mind and in my dreams  
I can't get her away

Gonna sit down at the poker table  
Five card stud's my game  
Gonna try and forget that crazy woman  
Gonna try and forget her name

I don't know how I'll make it  
But I'll forget her some way  
This is the time and the only time  
She ain't gonna get away
