

# Give It All You've Got

The Marshall Tucker Band

Don't you ever do it  
don't you tell me no lies  
lovin' that woman  
till the day i die  
reachin' for the top  
ain't gonna fall  
buy me some booze and  
a big fancy car  
that's right  
hold on tight  
'cause i don't wanna  
leave you behind

give it all you got  
i've got something  
give it all you got  
it's not enough now  
give it all you got  
i've got something  
give it all you got

dancin' with my girl  
but she could have  
seen you  
don't say i told you  
i told you it's true  
now you're on your own  
feeling the strain  
crying won't help,  
ever, ever again  
so sad, ain't it true  
now that you, you've got  
nothing left to lose

give it all you got  
i've got something  
give it all you got  
it's not enough now  
give it all you got  
i've got something  
give it all you got

did you ever feel like a  
stranger or a shadow  
through a glass window  
wondering why there's  
so many answers to  
questions  
never been asked

don't you ever do it  
don't you tell me no lies  
lovin' that woman  
till the day i die  
reachin' for the top  
ain't gonna fall  
buy me some booze and

a big fancy car  
that's right  
hold on tight  
'cause i don't wanna  
leave you behind

give it all you got  
i've got something  
give it all you got  
it's not enough now  
give it all you got  
i've got something  
give it all you got
