

A Little Bit Of Sympathy, A Little Bit Of Love

The Marvelettes

Have a little bit of sympathy
Come on baby
Have a little love for me
Have a little bit of sympathy
Have a little love for me

If your lover wants to leave you
And there's nothing you can do
Push back your pride
And on bended ask him to please forgive you

And if he really really loves you so
He will want you to go
To run to his side
And on bended knees ask him to please
Have a little sympathy

Have a little bit of sympathy
Come on baby
Have a little love for me
Have a little bit of sympathy
Have a little love for me

This may seem hard to you
But finding a new love maybe harder to do
So don't you wait until it's too late
Run to his side and apologize
And say

Have a little bit of sympathy
Come on baby
Have a little love for me
Have a little bit of sympathy
Have a little love for me
Oh baby
Have a little bit of sympathy
Have a little love for me
