

## Gotta Give It Time

The Monkees

Baby, just stop your shoving, baby  
Shoving won't get you loving, babe  
You gotta play it around or lose what's on the line  
Baby, gotta give it time  
(Give it time now, baby, gotta just give it time now, baby)

[?] ain't gonna do it, baby  
Gotta be much more to it, baby  
Love just like a fine old vintage wine  
Baby, gotta give it time  
(Give it time now, baby, gotta just give it time now, baby)

Ah, you gotta take it slow, girl  
Yeah, and just let it flow, girl  
Ah, and when the time is right  
Just close your eyes and hold on tight now

Just give it time now, baby  
Gotta just give it time now, baby  
Gotta just give it time now, baby  
Ah, give it time, babe  
Ah, your time  
Ah

Will come a minute that you learn  
You had better just stop your shoving, baby  
Shoving won't get you loving, baby  
Just hold back and things'll work out fine  
Baby, gotta give it time  
(Give it time now, baby, gotta just give it time now, baby)

Ah, you gotta take it slow, girl  
Yeah, just let it grow now  
Ah, and when the time is right  
Just close your eyes and hold on tight now

Gotta just give it time now, baby  
Gotta just give it time now, baby  
Gotta just give it time now, baby  
Gotta just give it time now, baby  
Gotta just give it time now, baby  
Give it time now, baby
