

Dawn Is A Feeling

The Moody Blues

Dawn is a feeling,
A beautiful ceiling.
The smell of grass
Just makes you pass
Into a dream.
You're here today,
No future fears,
This day will last
A thousand years
If you want it to.
You look around you,
Things they astound you
So breathe in deep,
You're not asleep,
Open your mind.
You're here today,
No future fears,
This day will last
A thousand years
If you want it to.
Do you understand
That all over this land
There's a feeling?
In minds far and near
Things are becoming clear
With a meaning.
Now that you're knowing
Pleasure starts flowing.
It's true life flies
Faster than eyes
Could ever see.
You're here today.
No future fears.
This day will last
A thousand years
If you want it to.
