

# Floating

The Moody Blues

Floating free as a bird  
Sixty foot leaps it's so absurd  
From up here you should see the view  
Such a lot of space for me and you

Oh you'd like it  
Gliding around get your feet off the ground  
Oh you'd like it  
Do as you please with so much ease

Now I know how it feels  
To have wings on my heels  
To take a stroll among the stars  
Get a close look at planet Mars

Oh you'd like it  
Gliding around get your feet off the ground  
Oh you'd like it  
Do as you please with so much ease

Bouncing about on the moon  
Guess you'll all be up here soon  
The candy stores they'll be brand new  
And you'll buy a rock with the moon right through

Oh you'd like it  
Gliding around get your feet off the ground  
Oh you'd like it  
Do as you please with so much ease

Come fly...  
Come fly...  
Come fly...
