

# From The Bottom of my Heart

The Moody Blues

I can't be any more  
(in love with you).  
There ain't nowhere I can find now  
(anymore to)  
That I can criticize.  
From the bottom of my heart  
I really love you,  
Oh yes I do now.

It didn't take too long to be sure.  
From the bottom of my heart,  
Oh I really do.

Things you do I admire  
(And I'm in love with you).  
You gotta realise that, baby,  
Every day I love those higher and higher.  
(I find no faults in you)  
That I can criticize.  
From the bottom of my heart  
Oh I really love you,  
Oh yes I do now.

It didn't take too long to be sure,  
From the bottom of my heart,  
Oh I really do.

Now don't you ever go away,  
Without you I just don't know where to start over.  
I'm asking you to stay and, baby,  
I know I'm saying it  
From the bottom of my heart.

It's a love, that I know  
(And I'm in love with you).  
Oh you gotta realise, baby,  
As day by day our love will grow.  
(I find no faults in you)  
That I can criticize.  
From the bottom of my heart  
Oh I really love you,  
Yes I do now.

It didn't take too long to be sure,  
From the bottom of my heart,  
Oh I really do.

Oh I really do love you.  
Oh I really do love you, baby.

Yes, I really do love you,  
Yeah. Love. Oh.....
