

## Lose Your Money (But Don't Lose Your Mind)

The Moody Blues

Everybody's talking  
To that girl of mine  
'Cause they really like her  
She's so fine  
Lose your money  
But don't lose your mind  
Lose your woman  
But don't fool with mine

I heard you lost your woman  
Because you did her wrong  
Gambled all your money  
Playing dice

Lose your money  
But don't lose your mind  
Lose your woman  
But don't fool with mine

Now I don't aim  
To lose my woman yet  
'Cause she wasn't  
A easy one to get

Lose your money  
But don't lose your mind  
Lose your woman  
But don't fool with mine
