

Lovely to See You

The Moody Blues

Wonderful day for passing my way
Knock on my door, even the score
With your eyes

Lovely to see you again, my friend
Walk along with me to the next bend

Dark cloud of fear is blowing away
Now that you're here, you're going to stay
'Cause it's...

Lovely to see you again my friend
Walk along with me to the next bend

Tell us what you've seen
In faraway forgotten lands
Where empires have turned back to sand

Wonderful day for passing my way
Knock and my door and even the score
With your eyes

Lovely to see you again my friend
Walk along with me to the next bend
